IMPORTANT NOTICE! Illinois law requires: Proof of an eye examination by an optometrist or ophthalmologist who is licensed in the state of Illinois shall be submitted to the school no later than October 15 of the year the child is first enrolled or as required by the school for other children. The examination must be completed within one year prior to October 15 of the year the child enters the Illinois school system for the first time. The parent of any child who is unable to obtain an eye examination must submit a waiver form to the school. Vision screening is *not a substitute* for a complete eye and vision evaluation by an eye doctor. A child is not required to undergo a vision screening if an optometrist or ophthalmologist completed and signed a report form indicating an examination had been administered within the previous 12 months. Requesting disclosure of this information is necessary to accomplish the statutory purpose as outlined under Illinois Public Acts 81-0174, 85-0351, 93-0504, and 95-0671. **Consent of Parent/Guardian: I agree to release the above information on my child to appropriate school or health authorities.**
